The 265-acre farm belonging to the G. M. Montgomery estate in Manchester has been sold to C. J. Reed of New Mexico.

One of the largest and best creameries in Vermont is being erected in Milton by the farmers of that village, and it is expected it will be in operation before winter.

The Central Oil Store company of Gardner, Mass., has closed a deal for a large lot of timber land in Weston, some 2,000 acres, a \$40,000 deal. It will cut about 500,000 feet this season.

George Tierney, son of Peter Tierney of Middlebury, sustained a painful accident Sunday when in cranking a car, it back-fired and his arm was broken between the elbow and the wrist.

Citizens of Springfield, at a special meeting last week, voted an appropriation of \$1,000 to be used on rural roads in that town, which are in bad shape and hardly passable after a rain in some places.

At a special town meeting held Saturday afternoon the voters of the village of St. Johnsbury and also of the town voted unanimously to exempt from taxation the new Cary maple sugar plant for a period of ten years.

Charles H. Bessey, who died at his home in Burlington Monday of heart failure, was one of the best photographers in Vermont, a member of Sherman's band and active in the work of the Burlington chamber of commerce.

Swinger brothers have held their farm of over 400 acres in Huntington, together with the stock, tools and crops, to Mr. and Mrs. Dawson McGregor of Middlebury. The farm is said to be one of the best stock farms in the state and contains an extra large up-to-date barn and plenty of timber. The new owners will take possession about March 1.

Springfield milliners have held a meeting and drawn up an agreement, signed by five of them, which is designed to put a stop to the practice of taking out hats on trial. A deposit of 10 per cent of the price of the hat must be laid aside and two days shall be the limit for keeping out hats. The milliners also voted to have a uniform price for trimming and other incidentals.

A general conference of the Montreal branch of the Y. M. C. A. the first since 1914, was held at the Franklin house, Highgate Springs, Sept. 20 and 21. About 75 men from Montreal came there for the purpose of considering the program of work for the Y. M. C. A. in that city the coming spring. This gathering marked the resuming of a series of meetings held in 1912-14 and 14, and then discontinued for the period of the war.

Fearing that the strike situation in Burlington could not be handled by the village police, six men have been secured from an Albany, N. Y., detective agency and they have been sworn in as special police. Pickets have been maintained at the Black Cat Textile mills for several days and it is known that some of them are carrying concealed weapons. Noisy demonstrations are made when the young women employees of the concern go back and forth to work.

Mr. and Mrs. Artemas H. Wheeler observed their 50th wedding anniversary at their home in Parkville, Sunday, Sept. 14, with a family reunion. The party, numbering about 20, attended the church service Sunday morning, finding the auditorium decorated in yellow and white in their honor and the ends of the Wheeler pew adorned. At the close of the service, the women of the church presented Mrs. Wheeler a bouquet of 50 yellow roses. Mr. and Mrs. Wheeler were married in the Baptist parsonage and a few years ago Mr. Wheeler bought the parsonage for a residence, so their golden wedding anniversary was held in the same house where they were married.

Roy Hamilton, 12-year-old son of Mr. and Mrs. Mitchell Hamlin of Burlington, was injured while at play Sept. 18, cerebral concussion resulting. The boy was playing with two other boys when he was pushed during a wrestling match. He continued playing and the effects of the bump began to appear.
